

Vision One Discount Eyecare Program

WHAT IS THE CMV EYECARE PROGRAM?

Cole Managed Vision (CMV) is a discount vision program that provides you and your dependents with significant savings on both eye examinations and eye wear. The discounts can sometimes save you as much as 60% off retail prices.

HOW DO I FIND A CMV PROVIDER?

You can call the new Vision Care Service Line at 1-800-804-4384. You can also visit their Internet site at www.cmvc.com and select "Find Provider." You will then be asked to enter the WAI vision plan number, which is 47081, and your zip code. You will then be given a list of CMV providers in your area.

HOW DO I GET A CMV DISCOUNT?

Show your Cole Managed Vision eye care provider your Watkins Group Health ID card. On the front of the card, it shows that WAI participates in the Vision One Program. The provider will automatically take the discount and bill you for the difference. Submit your insurance receipt with a completed claim form to WAI at the address shown on your Group Health card. If you need a claim form, call 1-800-333-3841 and follow the prompts for Benefits Customer Service at WAI.
